Branch Meeting last Friday of the month

NEWSLETTER NOVEMBER 2018

Good morning everyone, and welcome to this the last meeting for 2018!! Have you noticed that the older you get the quicker that time passes you by? Anyway, I sincerely hope you all have enjoyed this year and hold some happy memories of all that we have done and where we visited. Thanks must go to all those who quite unselfishly get up and help where they can. Even those who cannot help really do, just by supporting our activities! To everyone else thanks for the help and for your attendance.

I hope to see you at our Christmas Lunch next month, as there will be a couple of little surprises. For those that don't attend, have a great Christmas, and come back in January ready to do it all again!

Best wishes to everyone. Doug.

THE OLD COWBOY ...

An old cowboy sat down in a bar and ordered a drink. As he sat sipping his drink a young woman sat down beside him and turned to the cowboy and asked "are you a real cowboy?" He replied "Well I've spent my whole life breaking colts, working cows, going to rodeos, fixing fences, pulling calves, bailing hay, doctoring calves, cleaning my barn, fixing fences, working on tractors and feeding my dogs, so I guess I am a cowboy". She said "I'm a lesbian! I spend my whole day just thinking about women. As soon as I get up in the morning, I think about women. When I shower I think about women. When I watch TV I think about women. I even think about women when I eat. It seems that everything makes me think of women". The two sat sipping in silence. A little while later, a man sat down on the other side of the old cowboy and asked "Are you a real cowboy?". He replied "I always thought I was, but I just found out that I'm a lesbian".
