NEWSLETTER AUGUST 2020

Good morning everyone, and I hope you are all keeping safe. Although we have had some restrictions lifted, we still have a long way to go before we get back to some form of normality! So far we have managed to have a picnic, which was good. We had a very good bus trip to Toogoolawah for Christmas in July. We then held quite a successful BBQ at Crockatt Park. We have a bus trip to Rudds Pub which looks very interesting and a Dine out at Morgan Coming up. We are still waiting for the RSL to allow us to have our meetings again, but that will be in the future. Meanwhile we will still keep doing the things we like, and hopefully still enjoy our activities! Keep happy everyone. And stay safe....

BARBEQUES

.. What a great day was had by approximately 55 members at Crockatt Park for our monthly BBQ. it was really good to be able to get out in the fresh air again at one of our favourite venues! We also had another good reason to be happy, as it was Ethel Rantall's 100th birthday celebration! Great work Ethel, it was an absolute pleasure to help you celebrate! Towards the end we had to speed

things up as the weather was turning unpleasant, but it didn't spoil anything.
Great job all you organisers.

August 14 trip

After a couple of last minute changes 32 members headed off on our day trip to Rudd's Pub we left Redcliffe just after 8:00am with a very heavy fog, could not see anything going across the bridge. We stopped at Lake Apex Park at Gatton for our morning tea around 10:am. Not much water in the lake.

After morning tea we went to see the "Steel Rudd Memorial Park". This showed us the home and the conditions that he and his family lived under. It was not very comfortable! We then went to Rudd's Pub for a typical pub lunch. After that it was a comfortable drive home in brilliant sunshine.
