NEWSLETTER OCTOBER 2020

Good morning everyone, I hope you are still all keeping well, I know that all of us are itching to get back into our activities again. Although there are still restrictions we have successful Dine-outs, and we do manage some interesting bus trips.

Next month, on Friday, the 6th of November, we will re-commence with our BBQ's We cannot go to Crockatt Park, because there would be too many of us at the one gathering. Instead we can go to the Red Cross Hall in Portwood St. so that is what we will do. Cost will be the same as previous \$6. 11-30am start!

If you wish to attend you must let Doug or Margaret know by Monday, November 2nd

Don't forget to keep checking your emails for any other information!

Doug.

Shirley Bolton

Roughly thirty five members attended Morgan's outside deck today for our monthly dine-out. The weather was extremely kind to us with loads of sunshine and just a slight breeze to keep things cool!! With venues being very difficult to find due to the Corona virus, the two Barbs are obviously digging deep to keep us on the move! Even so, it is always good to get out of the house and meet good friends at a good location!! Keep going girls, we know how difficult it must be. It won't last forever! Your Roving Reporter.

DINE-OUTS Barb Emery & Barb Hornsby

Friday November 13th Our dine out will be at the Bramble Bay Bowls Club at Woody Point.
Date :. Usual time around 11.30 am
There is plenty of parking available.

(excerpts from Les's report of the Pomona trip.)

39 members headed off on our trip to the Majestic Theatre Pomona. We stopped at Topper Park in the main Street for morning tea. Back on the coach for the short drive to the Majestic Theatre for our silent movie viewing. They had a set up in the theatre for lunch and the movie. Before the movie we got a brief history about the theatre which is the longest running theatre in Queensland and will be 100 years old next year. The gentleman playing the organ during the film did a fantastic job and is the current owner of the theatre. The organ was donated to the theatre and took 6 years to repair and rebuild and it sounds great. Before heading home we drew the raffle, thanks everyone for your support, this helps in keeping the cost down

You can read the full report of the trip on our website.

November Bus Trip.

**Digital Mentoring - With National Seniors
Australia and Be Connected**

Australia has approximately 2.5 million people who are not online, and over 4 million people with limited digital skills. National Seniors Australia in conjunction with Be Connected would like to change this by running some Free Workshops for people that may be interested in helping others in using the internet.

We call these people "Digital Mentors" Ideally we would love to have a "Digital Mentor" in each National Seniors Australia Branch, to assist seniors in getting online and joining the digital age. This initial training for people interested in becoming a Digital Mentor will be conducted online via Zoom and will provide skills and techniques for the mentor to assist people in increasing their confidence, skills and online safety in using digital technology . for more information about the workshops - [CLICK HERE](#)
